Eggs is Eggs.

Let us sing the praise of the Great American Hen, who, during the past year, may well have cackled with pride over the production of nearly one billion three hundred million dozens of eggs! Do you realize what that means? Well, listen:

If instead of remaining quietly at home in Iowa, she had chosen to demonstrate her powers to the universe at large, the Hen might have laid those eggs, each two inches long, end to end, in a continuous chain reaching 238,818 miles up to the moon, back again, and then more than half way around the world for good measure--a total of 492,424 miles of eggs! Furthermore, if those eggs had been made into one omelet half an inch thick, that omelet would easily have covered Manhattan Island, an area of twenty-two square miles.

An old Mohammedan legend tells that King Solomon used to travel through the air with all his armies on a wonderful flying carpet, protected from the rays of the sun by the wings of a host of birds. Now, according to the poultry census, there are in the United States about two hundred and eighty millions of chickens, guinea fowls, turkeys, geese and ducks of the poultry voting age, which is three months or over. If required to furnish a moving canopy like that of King Solomon, the barn-yard fowls of this country, allowing only a foot of spread to each, could easily shadow a space ten square miles.---Arthur Guiterman in October Woman's Home Companion.

Convention of the Powers.

A convention of the Powers will be called jointly by England, France and Russia to consider the situation growing out of Bulgaria's declaration of independence and Austria-Hungary's annexation of the Provinces of Bosnia and Herzegovina. The Bulgarian Minister of Foreign Affairs has cabled to the Associated Press a statement of the situation, giving the reasons for Bulgaria's action.

Excellent Health Advice.

Mrs. M. M. Davison, of No. 379 Gifford Avenue, San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Oberdorfer's drug store. 50 cents. oct

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Take Hall's Family pills for constipation.
